## **Kamea G-Cream**

Herd Podiatry  
Dr. Stephen C. Smith, DPM  
**716-833-8094**

1. After showering use the pumice stone to remove excess callus. Use the dark purples side 1<sup>st</sup>. Then the light purple side second.
2. Let your feet dry
3. Apply Kamea cream to the callus area only. It is to ne use as a spot treatment.
4. Cover the area with a band aid.
